Subject: update on status 2022 list

Good afternoon,

Head Quarters is starting there review of state submittals for 2022. They have asked if we have any states in the Region that look like they may not meet the April 1, 2022 deadline for the 2022 listing cycle. I am just confirming that you are on track to meet this deadline. Please let me know by Thursday 4/29, if you think you will or will not meet the April 1, 2022 date.

I will be sending this information off to HQ.

Thank you,

Donna Keclik
